Dear Willie

Just a note to thank
you for writing a tune for me.

I was very touched by the gesture
and quite unable to say how much
I appreciate your kindness.

In fact everybody has been so
nice to me recently and I feel that
I just don't deserve it. The piping night
was a great success and everybody
played so terribly well.

Hope you keep well. Kindest
regards to Mr MacLean.

Yours gratefully Robert Bech.
