This authority carries with it certain responsibilities which are given overleaf and must be read and signed by the person to whom the authority is issued.

YOU ARE RESPONSIBLE FOR :

1. The safe custody of the bicycle, its tools and accessories, for which purpose users must supply their own locks and keys, or ensure that the bicycle, if left unattended, is in safe custody.
2. The replacement of all losses and items damaged by unfair wear and tear.
3. The care and repair of tyres and tubes.
4. For minor adjustments.
5. Reporting all damage or parts requiring replacements through fair wear and tear.
6. Keeping all parts clean and oiling where required.
7. Using it only for the purpose for which it is issued (see reverse)
8. Not lending it to any other person.
9. Carrying this permit with you and shewing it to any responsible person who requires to see it.
10. Strictly observing the Highway Code and for traffic signs and regulations including those dealing with lights and brakes.
11. Reporting all accidents, however small, to the Station Admin. Officer.
12. Handing back the cycle in good order to the Station Admin. Officer when you are posted away or absent from the unit or when you are no longer entitled to use it for the purpose for which it was issued to you.

I have read and understood these conditions.
