Dear Mr Mc Diarmid

Having had no
reply to my former
letter, I just begin
to wonder if you
even received it.

If not, then, my
request was simply

- is it possible
to get a site
for wooden studio
on the point at
Ceann-na-Craig
Baile Shuil? If not
possible there - then
any where at all in
the neighbourhood at
least nearer Ceann-
a-Mhara - not
farther from that as it

is the goal.

The size of studio
would be 20 feet x
15 feet. & just a
temporary erection.

Of course I am
willing to pay any
reasonable fee duty
His Grace may
asp.

I hope I am
not troubling you

too much. in again
writing & going over
the same ground, but
I am leaving Glasgow
shortly & intended
ordering wood before
quitting the city.

Please remember
me kindly to Mrs
McDiarmid & family
& with best respects
Remain yours sincerely
D. M. G. White
