Dear Miss McLean,

Donald A. McLean, deceased.

As you know I have finalised the winding up of the estate of your late father apart from the Income Tax position. I duly lodged the Income Tax Return with the Inspector of Taxes but I have been advised by the Inspector that he has still not received pay and tax details from Lothian Regional Council for the period from 6th April 1980 to the date of your father's death. The Inspector will make a computation of any repayment due and issue this computation along with a Payable Order if appropriate when the necessary details are received from Lothian Regional Council.

In the circumstances I do not wish to delay further the finalisation of your father's estate and I accordingly enclose a Statement of the Estate which I trust you will find to be in order. You will see from the second page that there is a balance of residue payable to you of £538.20 and I have pleasure in enclosing cheque in your favour for this amount. I shall be obliged if you will sign and return to me the accompanying form of receipt.

I also enclose my firm's fee note duly discharged.

I have sent cheques to your sisters and brother as detailed in the Statement.

Yours sincerely,

PETERKIN & KIDD, W.S.
