J. P. Milligan Esq.

W.S.

Dear Sir,

I am in receipt of yours
of 13th inst, and I am quite
agreeable that you should continue
to look after our affairs. With
reference to the Trusteeship I
understood from the late Mr. Martin
that I could act as one of the
Trustees and should like to do so
unless there is any law to the
contrary. Could you not act
as another?

Could you kindly let me have,
at your leisure, a statement as

to how we stand financially
in connection with that Dundee
Property.

We were all greatly grieved
to hear of Mr. Martin's death
and our family feels that we
have lost a great personal
friend and adviser.

I am

yours very truly

Kenneth Mackenzie.
