Baugh 28th January 1860

Police Report

About 1 o'clock P.M. upon Thursday the 26th day of January current. A Human Body had been found on the shore at Saundaig, parish & Island of Tyree and County of Argyll. it is evident that the said would be that of one of the crew of the smack Swan of Belfast, wrecked on the rocks in said place on the night of the 10th inst. by papers found in deceased's pockets it is generally supposed the said Body would be that of the Captain of said smack & by the appearance of the same, it is supposed that he would be between 55 & 60 years of Age. I got no information of the above till after interment
