Dear Brother in the Lord

I trust you are well in health and able to rejoice and be glad in the Lord Jesus who died on the cross for all who come to God by him. We have change of weather now but the rain is causing the new grass to grow on the fields where the crop that grew in the summer months had been cut. The Psalmist says they shall fear thee as long as the sun and moon endure through all generations. He shall come down like rain upon the mown grass, as showers that waters the earth. Thus the Lord comes to our soul in the scriptures to bless us in giving us peace courage and strength for all who wait upon the Lord shall renew their strength just as the sun renews the face of the earth. We cannot read the Bible without finding something there to help us for it is God word to us and for us to give light courage peace and guidance to

our soul. For the eye of the Lord is upon them that fear him upon them that hope in his mercy, to deliver their soul from death and to keep them alive in famine. Be for the purpose of the owing what God means to do for Christ sake to all who trust in him read the Psalms as you find them in the old Testament and obey the Lord as he leads by his own word and spirit. May Gods good hand be upon you to help you in all things for he cares for all who trust in him and in Christ dwelleth all fullness.

I shall be glad to hear from you soon and know that you are growing in grace and in the knowledge of your Lord and saviour Jesus Christ
With prayer and all best wishes

Yours in the Lord Jesus

J W Taylor
