

31 Embarkation Unit,  
Tince.

17th April, 1945.

Dear *Miss Blair McKinnon*

Since the occasion of this Unit's 4th Anniversary Social Evening and Dance, I have been constantly reminded by the men of the very jolly event this was - this is also my own personal feeling - and consequently I feel that another such night would not be amiss. This was discussed at a Unit Meeting held yesterday when it was decided that this Social Evening should take place sometime next week.

Accordingly I would wish, on my behalf and on behalf of the personnel, to extend to you an invitation to be present on that evening. At the moment it is not possible for me to stipulate any given night but I shall arrange to let you have sufficient notice of the time and date and hope that you will once more let us have the pleasure of your company at this Unit.

Yours faithfully,

*W. S. Smith*  
D.C.
