Dear Madam,

An Assistant is required for Cornaigmore and it occurred to me that with your qualifications in Gaelic you would be well suited for this post. You would require to take Drawing and other subjects according to your qualifications. I shall be glad to hear from you by return.

Yours faithfully,

C. M. Macdonald,

Director of Education.

DUNOON,

Dear Madam,

I am in receipt of your letter of 30th September. I shall perhaps ask you to set out for Cornaigmore in a temporary capacity at an early date. This will enable the Authority to consider in due course what remuneration (if any) should be given to you for Gaelic instruction.

Of course you would be responsible for Intermediate Gaelic - among other things. I may mention that Gaelic is the language other than English in which Cornaigmore pupils are instructed for Intermediate Certificate purposes. Pupils are presented neither in Latin nor in French. Your responsibility accordingly would be considerable.

Yours faithfully,

C. M. MacDonald
