

Tìr Ìseal nan Òran (Tìree low land of song)

Tìr Ìseal Community Event

Sat 26 March 2022

19:30 in An Talla

Please join us for the first Tìr Ìseal community event.

We'll be introducing the project, having a look at the project stories and will have a selection of original archive material for you to look at (including the famous survey plan created by James Turnbull in 1768/9)

This is a free, unticketed event, but if you're definitely coming, drop us an email at tir.iseal@gmail.com so we have a rough idea of how many chairs to put out!
Please note that children must be accompanied by a responsible adult.

We look forward to seeing you there!
